Sirs:

The Undersigned reports that there is a typographical error in the Reply Brief filed on April 2, 2004. Page 4, line 5 begins with the words "...reference numeral (3)..." The correct reference number to be cited is actually (34) and the entire sentence should read, "Slomiany shows in Figures 5 and 6 at reference numeral (34) a total score for all plays in a bonus game."

The Undersigned apologizes for any confusion this error may cause and respectfully requests that the Examiner in this case and the Board of Patent Appeals note this correction on all copies of the Reply Brief and in their deliberations.
